<b>Product</b>	Organic Pecan Protein Flour	
<b>Size:</b>	Our Organic Pecan Protein Flour sifted through 30 Mesh (0.595mm)	
<b>Product Code</b>	F	
<b>Description</b>	Pecan Flour is produced from the cake product after having oil cold pressed from ACO Pecan Kernel/Pieces. Flour has a rich nutty flavor.	
<b>Intended Use</b>	This product is suitable for general consumption in its present form or after further processing. Ideal as a gluten free replacement for traditional flour.	
<b>Allergens</b>	Pecans are a known allergen and therefore should not be consumed by any person with an allergy to tree nuts.	
<b>Country of Origin</b>	100% Grown and Processed in Australia	
<b>GM Status</b>	No genetically modified product is used	
<b>Certifications Held</b>	SXC & HACCP	
<b>Batch Code Format</b>	Batch Number, Product Code, Item Number	
<b>Labeling</b>	Name of Product, Name and Address of Processor and Grower, Product Origin, Certifier Logo, Storage Requirements, Product Barcode	
<b>Shelf Life</b>	18 months from the date of Shelling under recommended storage conditions	
<b>Storage</b>	Finished product must be stored in a cool, dry place out of direct sunlight, which is free from infestation. Refrigeration at a temperature of 2 Degrees C is preferred & a temperature equal to or less than 10 Degrees C is required.	
<b>Packaging</b>	Product is vacuum packed and heat sealed in foil pouches. Pouches are flushed with food grade quality nitrogen during the vacuum and sealing process. The vacuum-packed product is then placed into a clean cardboard carton which is taped shut.	
	Items per carton	8
